

## **College Station Soccer Club Tournament Policy**

College Station Soccer Club (CSSC) supports CSSC players and CSSC coaches' participation in soccer tournaments and will help to facilitate the required registration requirements and participation.

To prevent disruption of league play, tournaments must occur outside the regular seasonal play, unless approved by the CSSC Board. CSSC must be informed of the intent to attend each tournament at least 2 weeks before the tournament and requests for official rosters and player cards must be submitted to the CSSC President at least 10 days prior to the tournament date.

Teams attending tournaments must be registered coaches and players from the team seasonal year of play. Subject to tournament rules and regulations, teams can have up to 3 guest players allowed on U7/U8 teams and up to 4 guest players allowed on U10-U17 teams.

Only current and approved CSSC coaches can form tournament teams and be on the coach sidelines during tournaments.

All coaches must be registered in CSSC and approved to coach with CSSC. All coaches must have a KidSafe badge to coach the team. Coaches are expected to abide by the CSSC Coach Code of Conduct. (<http://www.cssoccer.org/coaches-code-of-ethics.html>).
